

Richard Shrake & Red Star Barn Introduce

Horse Clinics *in the City*

Inspire Greatness in Your Riding

Sat & Sun: September 22nd & 23rd 2018

Work with Richard Shrake and become part of RESISTANCE FREE® RIDING following!

This two day clinic consisting of 4 sessions that covers understanding your horse's (or the horse you would like to buy) confirmation and job worthiness, riding techniques, finding the feel, and methods for a better ride.

RESISTANCE FREE® RIDING: A complete method that produces total communication between horse and rider. The rider learns to develop "feel", where there is no resistant moves against the horse. For whatever skill level, you will become a more confident, more relaxed, controlled, all-around rider. You will learn the keys to balance, timing and rhythm; drills, exercises and mental techniques to become a confident, fluid rider. You will see immediate results between horse and rider.
